WELCOME LILLIAN CHAPMAN TO THE CHAPMAN AGENCY

1852 Commerce St. Yorktown Heights, NY 10598– Albert J. Chapman Agency, Inc. established in 1958 by Albert J. Chapman, father of Robert Chapman, current owner and President, is adding to its staff. Bob's wife Lillian Chapman has joined the team in a sales and marketing capacity.

Lillian enjoyed a 26-year career in the insurance industry working for Liberty Mutual. She began as an entry level producer and held numerous positions finally landing as Regional Sales Manager responsible for all sales in the states of NY and PA. During her tenure at Liberty she was recognized for many sales and production awards as well as the prestigious Chairman's Award for her involvement and support of many community service organizations.

After Lillian and Bob married in 2007, she took time off to help care for her father in law and her mother. Lillian then went on to work in the financial services sector for Fidelity Investments as a Financial Planning Consultant. There she provided retirement planning and guidance for over 450 families. In 2013, Lillian accepted a Vice President Regional Manager role directing a team of representatives who provided onsite retirement guidance for thousands of participant doctors, nurses and professors for hundreds of health and education plans in six states.

Lillian holds a BA in Spanish (summa cum laude) and an MS in Education/Spanish both from CW Post College, and the following professional licenses: Property Casualty Insurance Broker, Life, Accident & Health Agent, Series 7,6,3,9,10 securities licenses, and the LUTCF professional designation for advanced studies in life insurance.

Having recently retired from 35 years of corporate life Lillian is excited to now join her husband and the Chapman Agency team to help continue the tradition of trust, professionalism and friendship that AJ started way back in 1958

"Lillian brings a wealth of industry experience and insight to the agency. She will be a valued and trusted advisor and friend to her clients and associates." – Robert Chapman
