

Pattie Cerbone is partner of JCM Racing, LLC. A full service racing engine and chassis fabrication facility. She is also partner and president of JCM North America, a small business manufacturer of racing and machine parts. Pattie who has a background in accounting is the CFO of both businesses. When she is not helping her husband run the businesses she is traveling with him to races held by NHRA (National Hot Rod Association), PDRA (Professional Drag Racers Association), NEOPMA (Northeast Outlaw Pro Mod Association) and NETO (Northeast Timing Organization). Pattie also works a full time job at PKF O'Connor Davies as an Accounting Services Manager. She and her husband reside in Yorktown Heights, NY. They are currently building a new facility in Yorktown to house both JCM Racing and JCM North America.
